

Are YOU Prepared?

Do you know how to properly respond if an emergency were to occur in your building? If you are not sure, you should review the ***Building Emergency Action Plan (BEAP)***. The BEAP is a university-wide plan that describes and communicates strategies for Ohio State faculty, staff, & students for specific emergency situations.

Each building on campus has a specific BEAP. A copy can be obtained by contacting your Building Coordinator. Information covered in the BEAP includes:

- Emergency Procedures
- Specific Evacuation Information
- Names of Floor Coordinators
- Emergency Resources & Contacts
- Expectations for Personnel
- Training & Review

Emergency Situations Covered in the BEAP

Fire

Earthquake

Severe Weather

Bomb Threat

Chemical Spill

Utility Outages

Medical Emergency

Workplace Violence

If you have any questions regarding BEAP's, please e-mail emergencymanagement@osu.edu
