

VISION

FDC delivers high quality projects to create positive experiences through the built environment.

MISSION

FDC provides an unmatched customer experience by delivering the design and construction of projects grounded in integrity, knowledge, passion and accountability.

VALUES AND GUIDING PRINCIPLES

INTEGRITY

We are committed to relationships rooted in honesty, trust and respect.

EXCELLENCE

We are committed to the highest standards of excellence in our knowledge, customer service and quality.

COLLABORATION

We partner with our stakeholders to seek and respect diverse viewpoints and expertise.

INNOVATION

We challenge the status quo and encourage curiosity to stimulate imaginative and resourceful solutions.

ENVIRONMENTAL STEWARDSHIP

We are committed to sustainable design and construction standards that support environmental best practices.

DIVERSITY, INCLUSION AND OUTREACH

We embrace differences and encourage connections among people, ideas and industries.
